Classification

Prosecco Bio DOC Treviso Frizzante

- **Alcohol gradation:** 11,5 %
- **Residual sugars:** 0 g/l

Grapes & Growth system

- **Grapes:** 100% Glera
- **Growth system:** Sylvoz
- **Grape harvest:** By hand

Vinification

- **Vinification:** Soft cold crushing and pressing
- **Refermentation method:** Natural refermentation in bottle

It shows a veiled color because of the refermentation in the bottle. Fragrant hints of rennet apple and abbot pear with a light note of acacia flowers. On the palate silky flavor with excellent acidity.

Product to be perfectly combined with the whole meal for the pleasantness of its fine foam. It also prefers fish dishes with good structure. Surprising with pizza.
