Vinification and second fermentation

- Storage of the grape must at 0°C at first, then fermentation and second fermentation both happen at the same time in the pressured tank.

A very bright Prosecco with a fine perlage. The nose gives fruity aromas of golden apple and sweet nuances of jasmine flowers and acacia honey. Its sweet and soft taste is well balanced by the typical freshness of the organic Glera grape. The fruity aromas returns in the finish in a very long persistence.

A Prosecco for a sweet after-meal toast. It pairs perfectly with traditional Italian desserts such as Panettone or Tiramisù.
